These icons represent the three subcategories of Friendship Force Virtual Experiences. Each icon and its corresponding color is used beside every upcoming FFI Virtual Experience listing to indicate which category that particular experience is a part of. To learn more about the categories, click on the small purple link below the icons.

The icon, title, and image border of each FFI Virtual Experience is color-coded to indicate its subcategory. (As you can see here, this one is part of the "Learning Space" series.)

The date and time of each FFI Virtual Experience is listed in the time zone of the presenter. To view what the day and time would be in your own time zone, click on the royal blue link below the date that says "CONVERT TIME ZONE". This will take you to a specially crafted link that will give you the accurate information based on your computer's location. (As you can see in the blue box on the left, the time of the Virtual Experience has been converted from 7:00 PM in Munich to 1:00 PM in Atlanta, my local time.)
If you scroll down to the bottom of the FFI Virtual Experiences page, you will see our newest addition, the library of past recordings. After an FFI Virtual Experience takes place, you will be able to find the recording here. (As you can see, the title and photo borders are still done in the color of their appropriate subcategory.) If you would like to watch one of the recordings, all you have to do is click on the title OR the photo - either one will work!

From there, you will be redirected to the Friendship Force International Vimeo account page for the FFI Virtual Experience you selected.

Feeling inspired? We are always happy to add new Virtual Experiences to our selection! Just fill out this form at the bottom of the page and we will reach out to you!

Don’t forget to check back regularly - we update the FFI Virtual Experiences page every day, so don’t miss our newest opportunities!
